

# ID one Mogul Ride Poles

## MR-13

Super lightweight and strong composite poles. As used by many of the top skiers, these poles are ideal for mogul athletes. The grips are designed to enhance correct pole planting action in bumps.

● \$150.00

● Length: 85cm · 90cm · 95cm · 100cm · 107cm · 110cm

● Construction: Carbon fibre Composite
